

PRODUCT DATASHEET

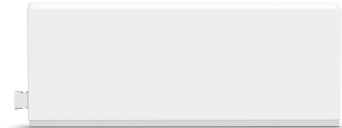

Type: LAVA2-DESK-80-S
Art. Nr.: 41235

9120105413916

Short description

Table infrared heating panel, ON/OFF, white, 80W

Product Description

The LAVA DESK 2.0 provides perfect warmth at the desk - whether at the workplace or in the children's room. The infrared panel is also suitable for creating a warm place for your four-legged friend. Thanks to its simple installation, the infrared heater can be easily mounted under the tabletop or on walls and provides precise heat. At just 15 mm high, it is virtually invisible under the table and takes up no space. In this version (-S), the connection cable has an ON/OFF switch. Optionally, the standard connection cable can be replaced by the separately available ET-DESK-DIMM connection cable. This can be used to select 3 power levels and set 3 timer times. Surface temperature: max. 70 °C, color: white RAL 9016, protection class: IP 21, plug connection cable 2 m with ON/OFF switch, power: 80 W, dimensions: 700 x 280 x 15 mm, CE compliant.

ETIM characteristics

Type of IR radiation	IR-C	Power consumption	80 Watt
Mounting method	Surface mounting	Supply voltage	230 230 Volt
Mounting direction	Horizontal/vertical	Frequency supply voltage	50 50 Hertz
Suitable for ceiling mounting	✓	Max. surface temperature	70 Degrees celsius
Degree of protection (IP)	IP21	Height	15 Millimetre
Colour	White	Width	280 Millimetre
With imprint	✗	Depth	700 Millimetre
With room temperature controller	✗	RAL-number	9016
With mounting material	✓	Colour temperature	0 0 Kelvin
With framework	✗		
Material framework	Other		
Colour framework	White		
Surface treatment	Other		
Surface structure front-side panel	Smooth		
With lighting cove	✗		
Dimmable	✗		
Light outlet	Direct
