Product Description

The HOME-DUO-S325-W infrared panel is a versatile heating solution for homes and offices. The panel is suitable for both main and efficient supplementary heating. It is ready to plug in and has a slim frameless design, allowing it to be mounted effortlessly on the wall or ceiling. Measuring 593x593x20mm, it does not take up much space, but still delivers a powerful heating solution with 325W of power. Its white color and design ensure that this panel fits seamlessly into any interior style. In short, this infrared panel offers comfortable warmth with a modern look.

ETIM characteristics

Type of IR radiation	IR-C	Power consumption	325 Watt
