

PRODUCT DATASHEET

Type: HO-DUO-S900RC-W
Art. Nr.: 60058

9120105414548

Short description

Infrared panel 593x1550x20mm 900W white RAL9016 incl. wireless control

**Product Description**

The HOME-DUO-S900RC-W infrared panel is a versatile heating solution for homes and offices. The panel is suitable for both main heating and efficient supplementary heating. It comes with a wireless thermostat and plug-receiver, making it easy to operate. It is plug-ready and has a slim frameless design, allowing it to be mounted effortlessly on the wall or ceiling. Measuring 593x1550x20mm, it does not take up much space, but still delivers a powerful heating solution with 900W of power. Its white color and design ensure that this panel fits seamlessly into any interior style. In short, this infrared panel offers comfortable warmth with a modern look.

ETIM characteristics
