Cable assembly WINSTA® MIDI rated current 20 A

The WINSTA® MIDI cable assembly with protection type IP20 supports rapid, correct installation. Whether on PCBs, in control cabinets or for connecting lights – pluggable installation connectors from WAGO allow you to make connections according to an enormous variety of requirements in seconds. For greater protection in electrical installations, the pluggable installation connector is equipped with mechanical protection against mismating. The pluggable installation connector is protected in accordance with protection type IP20 (When mated: IP2xC (These compact connectors are not designed for use in open, easily accessible areas!)). This means that users' fingers will never come into contact with live elements. WINSTA® MIDI pluggable installation connectors with P coding are employed for applications involving uninterruptible power supplies. This pluggable installation connector is designed for a load of up to 20 A. Thus, it can also be used for high power loads. Our WINSTA® MIDI product line offers flexibility for the electrical installation. Through its Push-in CAGE CLAMP® spring pressure connection technology, it achieves error-free, time-saving installation and offers customization for meeting various installation requirements. This product meets all the relevant safety requirements of fire class E; as a result it can be used in domains where fire safety is relevant.

Pluggable connections instead of screw connections – cable assemblies from WAGO

The cable assembly is equipped with a plug and a free end. The WINSTA® Pluggable Connection System is ideally tailored to the strict requirements of building installation. It makes electrical installation pluggable, and consequently more efficient, even more reliable, and error-free. Use of this pre-assembled system reduces time spent on assembly and installation errors at the construction site. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with with strain relief hosting from WAGO.

- protection against mismating eliminates errors
- · simple circuits
- with P coding for uninterruptible power supply
- custom-engineered solutions
- · rapid, structured electrical installation

| Protection type                         | IP20; When mated: IP2xC (These compact connectors are not designed for use in open, easily accessible areas!) |

| Plug-in connection            |  |
|-------------------------------|--|
| Mismating protection          | Yes  |
| Note on mismating protection  | All WINSTA® components are 100% protected against mismating when: a.) plugging different numbers of poles b.) plugging while rotated 180 c.) plugging while laterally staggered d.) plugging one pole  |
| Locking lever                 | Can be retrofitted   |
| Locking of plug-in connection | Locking lever  |
| Note on locking system        | All connectors for mounted installations (snap-in versions for lighting fixtures or devices, all types of PCB and distribution connectors) are factory-equipped with locking levers to ensure plugs and sockets are securely locked. Additional locking levers are only required for flying leads (plug/socket). |

## CAD/CAE-Data

#### CAE data

WSCAD Universe 771-9973/207-202

## 1 Compatible Products

#### 1.1 Required Accessories

## 1.1.1 Locking system

Item No.: 770-101

operation; black

## 1.1.1.1 Locking system

Item No.: 770-121

Locking lever; for flying leads; for manual operation; white

Item No.: 770-111

Locking lever; for flying leads; for tool operation; black

Item No.: 770-131

Locking lever; for flying leads; for tool operation; white

#### 1.2 Optional Accessories

#### 1.2.1 Cover

## 1.2.1.1 Cover

Item No.: 770-360

Lockout cap; for plugs; 5-pole; separable;

Item No.: 897-2003

Protective cap; Type2; for sockets and plugs; PVC; red

## Data Sheet | Item Number: 771-9973/207-202

#### 1.2.2 Installation

## 1.2.2.1 Mounting accessories

<u>Item No.: 770-310</u>

Mounting carrier; 2- to 5-pole; for flying leads; black

## 1.2.3 Marking

## 1.2.3.1 Marker

Item No.: 770-450/000-006

Marker card; Plastic; blue

Item No.: 770-450/000-001 Marker card; Plastic; green

Item No.: 770-450/000-012 Marker card; Plastic; orange

Item No.: 770-450/000-005 Marker card; Plastic; red

Marker card; Plastic; white

Item No.: 770-450/000-002 Marker card; Plastic; yellow

## 1.2.3.2 Marking strip

#### Item No.: 210-334

Item No.: 770-450

Marking strips; as a DIN A4 sheet; Strip width 5 mm; Strip length 182 mm; plain; Self-adhesive; white
