|------------------|---------------|
| Nominal voltage  | 220...240 V   |
| Protection class | II            |
| Operating mode   | Mains voltage |

Dimensions & Weight

|                |           |
|----------------|-----------|
| Length         | 700.00 mm |
| Width          | 680.00 mm |
| Height         | 430.00 mm |
| Product weight | 1745.00 g |

DECOR BUBBLE PENDANT 6XE27

Materials & Colors

|                                            |             |
|--------------------------------------------|-------------|
| Product color                              | Multi color |
| Housing color                              | Multi color |
| Body material                              | Steel       |
| Glow Wire Test according to IEC 60695-2-12 | 650 °C      |

Application & Mounting

|                              |                         |
|------------------------------|-------------------------|
| Ambient temperature range    | -20...+40 °C            |
| Temperature range at storage | -20...+80 °C            |
| Type of connection           | Terminal, 2-Pole (L, N) |
| Type of protection           | IP20                    |
| Dimmable                     | No                      |
| Mounting type                | Suspended               |
| Application environment      | Indoor                  |
| With light source            | No                      |

|                    |     |
|--------------------|-----|
| Holder designation | E27 |
|--------------------|-----|

### Certificates & Standards

|                                                      |           |
