

GIOTTO 305 4000K RECESSED 1-10V MW SENSOR  
3034778

Features

- Ambient and decorative round, recessed mounted LED bulkhead luminaire. White robust polycarbonate body with opal diffuser, 1750lm, 16.5W, 107lm/W, 4000K, CRI 80, 1-10V dimmable, integral microwave sensor. 120,000 hours lumen maintenance (L70:B50). Drive current: 600mA, IP44, IK10, Class I, 220-240V.

Product Overview

|                                   |                                           |
|-----------------------------------|-------------------------------------------|
| Product name                      | GIOTTO 305 4000K RECESSED 1-10V MW SENSOR |
| Technology                        | LED                                       |
| Cap/Base                          | N/A                                       |
| Housing                           | PC Polycarbonate                          |
| Mount                             | Ceiling recessed mounting                 |
| Environment                       | Indoor                                    |
| General application               | Hospitality, Logistics & Industry         |
| ETIM Class                        | EC002892                                  |
| E-number FI                       | 4270189                                   |
| Fixture luminous flux (lm)        | 1750                                      |
| Luminaire efficacy (lm/W)         | 107                                       |
| Correlated colour temperature (k) | 4000                                      |
| Light colour                      | Neutral White                             |
| CRI (Ra)                          | 80                                        |
| Colour Variation Initial (SDCM)   | 3                                         |
| Beam Angle (°)                    | 120                                       |
| Glare control                     | < 25                                      |
| Photobiological Risk Group        | RG0                                       |

## GIOTTO 305 4000K RECESSED 1-10V MW SENSOR 3034778

|                             |                             |
|-----------------------------|-----------------------------|
| Total power consumption (W) | 16.5                        |
| Electrical protection       | Class I                     |
| Control gear type           | LED driver constant current |
| Control gear mounting       | Integrated                  |
| Dimmable                    | Yes                         |
| LED Flickering Rate         | Ultra low (5% or less)      |
| Housing colour              | White                       |
| IP rating                   | IP44                        |
| IK rating                   | IK10                        |
| Product EAN number          | 8711971347781               |
| Warranty                    | 5 years                     |
| Dimming method              | 1-10V (Analogue)            |
| Colour Code                 | 840                         |
