## COLOSSAL 1200mm 830 PRISM DIR+HAL WHITE DALI 2071309

### Features

- 1200mm diameter circular architectural luminaire, can be surface mounted or suspended. Powder coated aluminium housing (RAL9016) with PMMA prismatic diffuser. Direct/indirect (halo) light distribution, 15880lm luminous flux, 117.5W system power, 135lm/W luminaire efficacy. DALI dimmable. Colour rendering index Ra >80, 3000K Warm White LED, chromaticity tolerance of 3-step MacAdam ellipse. IP40/IP20, IK03. 350mA drive current. UGR≤19. Electrical protection Class1, 220-240V. Reported lifetime 66k hours L90B10.

### Product Overview

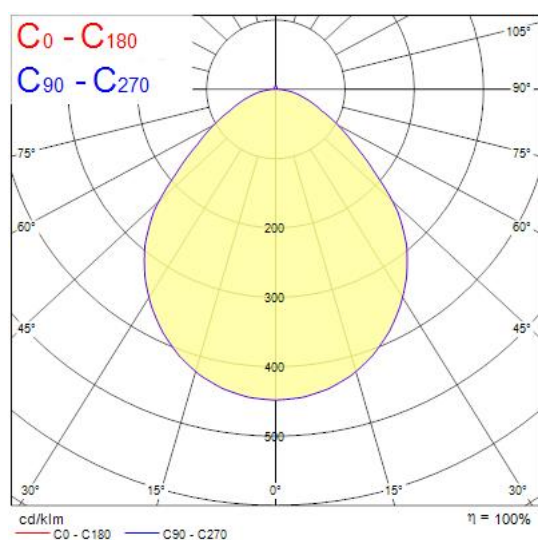

|                                   |                                              |
|-----------------------------------|----------------------------------------------|
| Product name                      | COLOSSAL 1200mm 830 PRISM DIR+HAL WHITE DALI |
| Technology                        | LED (3 SDCM)                                 |
| Cap/Base                          | N/A                                          |
| Housing                           | Aluminium                                    |
| Mount                             | Suspended                                    |
| General application               | Hospitality, Office                          |
| ETIM Class                        | EC002892                                     |
| Fixture luminous flux (lm)        | 15880                                        |
| Luminaire efficacy (lm/W)         | 135                                          |
| Correlated colour temperature (k) | 3000                                         |
| Light colour                      | Warm White                                   |
| CRI (Ra)                          | 80                                           |
| Colour Variation Initial (SDCM)   | 3                                            |
| Glare control                     | < 19                                         |
| Photobiological Risk Group        | RG0                                          |
| Total power consumption (W)       | 117.5                                        |
| Electrical protection             | Class I                                      |
