Remarks: The cables belong to class FB90.

This DEKRA Test Certificate is based on and replaced Certificate no. 2169438.02, dated 26 March 2015.

This Test Certificate is valid till 26 March 2022 and expires upon withdrawal of one of the above mentioned standards or after changing the construction, materials of production method.

This Test Certificate is granted on account of an examination by DEKRA, the results of which are laid down in a confidential file no 223282400.

The examination has been carried out on one single specimen of the product, submitted by the manufacturer. The Attestation does not include an assessment of the manufacturer's production. Conformity of his production with the specimen tested by DEKRA is not the responsibility of DEKRA.

Arnhem, 18 February 2019

Number: 2232824.02
