|                                          |        |
|------------------------------------------|--------|
| Rated current                            | 20 A   |
| Rated voltage                            | 400 V  |
| Rated impulse voltage                    | 4 kV   |
| Pollution degree                         | 2      |
| Mechanical coding                        | Code 1 |
| Interlockable                            | Yes    |
| Color of coding/ contact carrier         | Black  |
| Marking of poles                         |        |
| Color of housing inclusive strain relief | Black  |

### Model

|                                 |                                     |
|---------------------------------|-------------------------------------|
| Number of poles                 | 5                                   |
| Nominal cross section conductor | 2.5 mm²                             |
| Degree of protection (IP)       | IP40                                |
| Wire strip length               | 9 mm                                |
| sheath strip length             | 35 mm                               |
| Preparation of conductor ends   | Ultrasonically compressed wire ends |
| Cable type                      | H05VV-F                             |
