Product description

SOLAMAGIC Z1 stand infrared heater, 1.4kW, nano anthracite

The SOLAMAGIC Z1 is a new, innovative infrared stand-alone device, which is not only impressive with its most modern design, but also with its highest safety and perfect heat. Thanks to the safety shutdown as soon as the device tilts, as well as the soft start for switch-on current limitation, the infrared heater leaves nothing else to be desired. The casing is made of high-quality aluminium and is impressive with its elegant design. The Solastar-AL heating tube also combines a more pleasant light colour with perfect thermal behavior with minimal residual light (
