

Product name

eTOUCH-hybrid

Item number

40641

Manufacturer

ETHERMA

Product description

Built-in thermostat with 2 relay outputs, 16A, 18-27°C, white

eTOUCH hybrid is the latest design, with a built-in thermostat from ETHERMA, which features energy-saving self-learning functions, special ease of use and elegant Infinity design. The controller has a high-quality LED glass touch display and can control 2 heaters simultaneously thanks to two relay outputs - each with optional timer function (up to 3h) or 7-day programming. It is also compliant with eco-design guidelines. Colour: white, dimensions: 90x90 mm, temperature range: 18-27 °C, switching current: 16 A total, voltage: 230 V, power reserve: time setting 3 min., mount: on flush-mounted switch box, protection rating: IP 21, quality marking: CE.

Technical Details

Model	On/Off	Measuring range	18 27 Degrees celsius
Type of power supply	230 V AC	Number of heater outputs	2
Connection	2-wire	Number of cooler outputs	0
With receiver	No	Differential value	0.3 0.3 Kelvin
External sensor	No	Number of modules (module system)	0
Thermal feedback	Series	Max. contact voltage	230 Volt
Control characteristic	P	Max. contact load	16 Ampere
Suitable for heating	Yes	RAL-number	0
Suitable for cooling	No	Height	90 Millimetre
Adjustable differential	Yes	Width	90 Millimetre
Temperature readable	Yes	Depth	10 Millimetre
With sound indicator	No	Diameter	0 Millimetre
Sensor/feeler type	Resistance sensor	Standby power consumption (solstandby)	3 Watt
Mounting method	Flush-mounted		
With display	Yes		
Operation	Button		
Concealed operation	No		
With tap water circuit	No		
Contact type	Breaker contact (NC)		
Degree of protection (IP)	IP21		
Degree of protection (NEMA)	Other		
Explosion-proof	No		
Colour	White		

DATASHEET.

Class of the temperature control	II
Compatible with Apple HomeKit	No
Compatible with Google Assistant	No
Compatible with Amazon Alexa	No
IFTTT support available	No
