

Product name

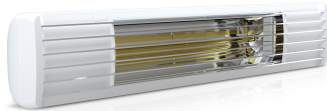

ET-EXO-DARK-2000-W

Item number

45012

Manufacturer

ETHERMA

Product description

ETHERMA EXO DARK dark infrared heater, 2kW, white, IP65

The new premium dark infrared heater ETHERMA EXO DARK is the optimal solution for wind-protected outdoor spaces. It is also suitable as additional heating for conservatories or pavilions. The ultra-low-glare infrared tube is remarkable as it affords comfortable infrared heat and a minimum residual light content of only 1 lux per kilowatt and square meter. For the RC model, the radiant heater can be dimmed in three easy steps (33/66/100% of maximum power) with optional remote control. The device is made of high-quality, stainless aluminium, has an impressive and distinctive industrial design and is protected by IP 65 water jets. This infrared heater has a 5-year warranty. Colours: white, black; suitable for wall and ceiling mounting, dimensions: 930x155x111 (250 incl. mounting bracket) mm, IP rating: IP 65, voltage: 230 V, plug cable 180 cm, system structure: CE marking

Technical Details

Model	Ceiling-/wall emitter	Voltage	230 230 Volt
Mounting method	Surface mounting	Number of heating levels	3
Power step OFF	No	Min. heating power	660 Watt
Mounting over cradle	No	Max. heating power	2000 Watt
Degree of protection (IP)	IP65	Min. mounting height	1.8 Metre
Colour	White	Max. mounting height	2.5 Metre
Compatible with Apple HomeKit	No	Height	155 Millimetre
Compatible with Google Assistant	No	Width	930 Millimetre
Compatible with Amazon Alexa	No	Depth	250 Millimetre
IFTTT support available	No	RAL-number	9016
