

**Product name**

LAVA2-GLAS-500-MR

**Item number**

39651

**Manufacturer**

ETHERMA

**Product description**

infrared heating panel, glass, mirror, 90x63cm, 500W, 230V

LAVA 2.0 design infrared heating panels work particularly efficiently and save energy. The 6 mm thick surface material made of safety glass, special ceramic or fine stone, as well as 2 temperature limiters in all panels ensure safety at all times. The innovative technology makes the surfaces a very good radiation emitter. In combination with the even heat distribution on the surface, the optimally insulated back surface guarantees a high radiation efficiency and thus maximum infrared heat radiation to the front into the room. The frame-less design is modern. There are four surfaces (STEEL/GLASS/CERAMIC/STONE) and up to 6 power settings to choose from. The practical Plug & Play box at the back of all LAVA 2.0 models allows easy installation of a control, whether directly on the unit, by radio or by means of a wired controller. With LAVA DYL 2.0 - Design Your LAVA - it is possible to apply your own designs, pictures and photos on the LAVA GLAS 2.0 or LAVA BATH 2.0. On/off switch, surface temperature: max. 95 °C, vertical and horizontal wall mount possible, protection rating: IP X4, surfaces: sheet steel, 6 mm toughened safety glass, 6 mm special ceramic or 6 mm fine stone, plug connection cable: 1 m, certification mark: TÜV, CE marking.

**Technical Details**

<b>Type of IR radiation</b>	IR-C	<b>Power consumption</b>	500 Watt
<b>Mounting method</b>	Surface mounting	<b>Supply voltage</b>	230 230 Volt
<b>Mounting direction</b>	Horizontal/vertical	<b>Frequency supply voltage</b>	50 50 Hertz
<b>Ceiling mounting</b>	No	<b>Max. surface temperature</b>	95 Degrees celsius
<b>Degree of protection (IP)</b>	IPX4	<b>Height</b>	630 Millimetre
<b>Colour</b>	Other	<b>Width</b>	900 Millimetre
<b>With imprint</b>	No	<b>Depth</b>	61 Millimetre
<b>With room temperature controller</b>	No	<b>RAL-number</b>	0
<b>With mounting material</b>	Yes	<b>Colour temperature</b>	0 0 Kelvin
<b>With framework</b>	No		
<b>Material framework</b>	Other		
<b>Colour framework</b>	Other		
<b>Surface treatment</b>	Other		
<b>Surface structure front side panel</b>	Mirror		
<b>With lighting cove</b>	No		
<b>Dimmable</b>	No		
<b>Light outlet</b>	Direct
