

# Product End of Life Instructions

**Motor circuit breaker, TeSys Deca, rotary handle**

## End of Life Instructions

| Recommendation   | Number on drawing | Component / Material                                            | Weight (in g) | Comment |
|------------------|-------------------|-----------------------------------------------------------------|---------------|---------|
| To be depolluted | 2,3,5             | PC, ABS-PC, PA, PA6, HDPE, SAN with brominated flame retardants | 3.4           |         |
| To be depolluted | 1,4               | Other plastic parts with brominated flame retardants            | 28.86         |         |

## Product description

|                                   |                                                                                                                                 |
|-----------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Manufacturer identification       | Schneider Electric Industries SAS                                                                                               |
| Brand name                        | Schneider Electric                                                                                                              |
| Product function                  | The main purpose of the product is to protect three-phase motors, the cables, the people, against short circuits and overloads. |
| Product reference                 | GV2P22                                                                                                                          |
| Total representative product mass | 313 g                                                                                                                           |
| Representative product dimensions | 89mm x 45mm x 97mm                                                                                                              |
| Accessories                       | No                                                                                                                              |
| Date of information release       | 12/2022                                                                                                                         |

## Additional information

### Legal information

This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.
