

## Beacon LED Projector - Gobo

*Beacon LED Gobo Projector O/B 3000K Three Circuit Track - White*  
2055944

### Product features

- Beacon Projector offers precision light exactly where it is needed. The Gobo Projector with the use of ROSCO filters allow you to project a still image printed/cut/lasered onto a specially made glass/metal/acetate filter - for example a company logo, text, shapes, images. High colour rendering CRI 97 typical. IR/UV free light source without heat radiation. LED technology provides an energy efficient solution with reduced maintenance costs.

### PRODUCT OVERVIEW

|                                 |                                                                 |
|---------------------------------|-----------------------------------------------------------------|
| Product name                    | Beacon LED Gobo Projector O/B 3000K Three Circuit Track - White |
| Technology                      | LED                                                             |
| Housing                         | Aluminium                                                       |
| Mount                           | Track mounting                                                  |
| Fixture rating                  | Enclosed                                                        |
| General application             | Hospitality, Museums & Galleries                                |
| ETIM Class                      | EC001744                                                        |
| E-number FI                     | 4260878                                                         |
| Warranty                        | 5 years                                                         |
| Fixture luminous flux (lm)      | 474                                                             |
| Luminaire efficacy (lm/W)       | 14                                                              |
| LOR (%)                         | 100                                                             |
| Colour temperature (K)          | 3000                                                            |
| Light colour                    | Warm White                                                      |
| CRI (Ra)                        | 97                                                              |
| Colour Variation Initial (SDCM) | SDCM3                                                           |
| Photobiological Risk Group      | RG1                                                             |
| Total power consumption (W)     | 35                                                              |
| Product Voltage (V)             | 240                                                             |
| Electrical protection           | Class II                                                        |
| Control gear type               | Electronic ballast                                              |
| Control gear mounting           | Integral                                                        |
| Dimmable                        | Yes                                                             |
| Dimming method                  | 1-10V (Analogue)                                                |
| Housing colour                  | RAL 9016 - Traffic white / Bezel                                |
| IP rating                       | IP20                                                            |
| IK rating                       | IK02                                                            |
| Product EAN number              | 5025768559442                                                   |
