

Features

- Excellent fragment retention in the event of breakageThe protective FEP coating meets the IEC60068-2-75 Pendulum Hammer test (5 Joule) and the 4m drop test, demonstrating excellent glass retention in the event of accidental lamp breakageThe 97% UV-A transmission of FEP maintains maximum insect attraction

Product Overview

|                            |                              |
|----------------------------|------------------------------|
| Product name               | F20W T12 BL368 24 Toughcoat™ |
| Technology                 | Special applications         |
| Lamp shape                 | Tubular shape                |
| Type                       | T12                          |
| Cap/Base                   | G13                          |
| Lamp finish                | Frosted/Coated               |
| Fixture rating             | Enclosed                     |
| General application        | SPG                          |
| ETIM Class                 | EC002962                     |
| E-number FI                | 4940431                      |
| Light colour               | BL368 Blacklight             |
| Wattage (W)                | 20.00                        |
| Dimmable                   | No                           |
| Average life (Nominal) (h) | 10000                        |
| Product EAN number         | 5410288001258                |
| Dimming method             | N/A                          |
