## DP HOUSING 600 P 2XLAMP IP65

DAMP PROOF HOUSING GEN 3 | Damp-proof luminaire for T8 LED lamps with tool-free luminaire connector

### Areas of application

- Parking lots, warehouses, production areas
- Car parks and underpasses
- Garages

PERFOR-  
MANCE  
CLASS

### Product benefits

- Easy and quick installation
- Prewired for easy installation of tubular AC LED lamps
- Toolless installation
- Robust housing
- Sustainable solution thanks to exchangeable light sources
- 5 years guarantee

### Product features

- Luminaire housing, available for 1 or 2 T8 LED tubes
- Suitable for LED TUBE T8 EM and LED TUBE T8 CONNECTED
- Type of protection: IP65
- Integrated electrical fuse

TECHNICAL DATA

Electrical data

|                  |             |
|------------------|-------------|
| Nominal voltage  | 220...240 V |
| Mains frequency  | 50...60 Hz  |
| Protection class | II          |

Dimensions & Weight

|                |           |
|----------------|-----------|
| Length         | 675.00 mm |
| Width          | 95.00 mm  |
| Height         | 70.00 mm  |
| Product weight | 523.00 g  |

Materials & Colors

|                                            |                    |
|--------------------------------------------|--------------------|
| Product color                              | Gray               |
| Housing color                              | Gray               |
| Body material                              | Polycarbonate (PC) |
| Cover material                             | Polycarbonate (PC) |
| Light emitting surface material            | Polycarbonate (PC) |
| Glow Wire Test according to IEC 60695-2-12 | 850 °C             |
| Mercury content                            | 0.0 mg             |

Application & Mounting

|                              |                                      |
|------------------------------|--------------------------------------|
| Ambient temperature range    | -30...+40 °C                         |
| Temperature range at storage | -20...+80 °C                         |
| Type of connection           | Screwless terminal, 3-Pole (N, E, L) |

|                                        |         |
|----------------------------------------|---------|
| Type of protection                     | IP65    |
| Protection class IK (shock resistance) | IK08    |
| Dimmable                               | No      |
| Mounting type                          | Surface |
| Mounting location                      | Ceiling |
| Application environment                | Indoor  |
| With light source                      | No      |
| Holder designation                     | G13     |

### Certificates & Standards

|                                                      |                                 |
|------------------------------------------------------|---------------------------------|
| Standards                                            | CE / TÜV Rheinland / EAC / UKCA |
| Luminaire with limited surface temperature, "D sign" | No                              |
| Ball shot safe                                       | No                              |

### EQUIPMENT / ACCESSORIES

- All required accessories included
- Through-wiring cable kit available

### DOWNLOAD DATA
