Cover WINSTA®

Choose proven sustainability for the electrical installation for the implementation of your project: The cover from the WINSTA® product line. An extensive range of accessories rounds out the WINSTA® product line from WAGO.

Lower costs through fast commissioning and elimination of service expenses – solutions from WINSTA®

WINSTA® is the pluggable connection system that is optimally tailored to the strict requirements of electrical installation. It ensures fast, secure and, above all, error-free installation of components and cables. Now you can also lower installation costs without compromising quality and safety: with protection against mismatching eliminates the need for servicing and prevents unnecessary downtime.

- saves time, since no wiring is required at the construction site
- quick replacement of defective units during ongoing operation

Physical data	
Width	20.2 mm
Height	20.2 mm
Depth	39.4 mm
Diameter	17.4 mm

Material data	
Note (material data)	Information on material specifications can be found here
Color	red
Fire load	0 MJ
Weight	5.6 g
Material	Polyvinyl chloride

Environmental requirements		
Processing temperature		-5 ... +40 °C
Continuous operating temperature		-35 ... +176 °C
Note on continuous operating temperature		Insulating parts for temperatures ≤ 105 °C

Commercial data		
ETIM 8.0		EC002863
ETIM 7.0		EC002863
PU (SPU)		25 pcs
Packaging type		Box
Country of origin		DE
GTIN		4055144084849
Customs tariff number		39269097900

Environmental Product Compliance		
RoHS Compliance Status		Compliant, No Exemption
