Mounting accessories WINSTA® MINI

Choose tried-and-tested safety for the electrical installation for the implementation of your project: The mounting accessories from the WINSTA® MINI product line. With WAGO, you benefit from a large selection of accessories for the WINSTA® product line. WINSTA® MINI follows the trend towards miniaturisation. Our smallest pluggable connection system is primarily suited for lights, for example, since as a result of LED technology; due to complex systems, these offer less and less space for the connection technology.

WINSTA® MINI solutions for your electrical installation – protected against mismatching and maintenance-free

WINSTA® is the pluggable connection system that is perfectly tailored to the strict requirements of electrical installation. It offers error-free installation of cables and components, quickly and reliably. Now you can also reduce installation costs without compromising safety and quality: The WINSTA® MINI accessory with protection against mismatching reduces the need for servicing and prevents unnecessary downtime.

- consistent IP40 protection
- rapid, structured electrical installation
