Mounting accessories WINSTA® MINI

When using the mounting accessories from the WINSTA® MINI product line, straightforward electrical installation is guaranteed. With WAGO, you can enjoy the advantages of a large selection of expansions for the WINSTA® product line. Due to its particularly compact dimensions, our WINSTA® MINI Pluggable Connection System with Push-in CAGE CLAMP® spring pressure connection technology is specifically suitable in very tight spaces, i.e., for installations when very little room is available.

Push-in CAGE CLAMP® spring pressure connection technology – pluggable installation instead of laborious screw connections!

The WINSTA® Pluggable Connection System is perfectly tailored to the strict requirements of building installation. It makes electrical installation plug-gable, and thus faster, even more reliable, and error-free. Using this pre-assembled system decreases time spent on assembly and installation errors at the construction site. Now you can also reduce installation costs without compromising safety and quality: with protection against mismatching eliminates the need for servicing and prevents unnecessary downtime.

- compact design for conductors with a cross-section up to 1.5 mm²
- quick replacement of defective units during ongoing operation

Material data	
Note (material data)	Information on material specifications can be found here
Color	black
Insulation material	Polyamide (PA66)
Flammability class per UL94	V0
Fire load	0 MJ
Weight	1 g

Environmental requirements	
Processing temperature	-5 ... +40 °C
Continuous operating temperature	-35 ... +85 °C
Note on continuous operating temperature	Insulating parts for temperatures ≤ 105 °C

Commercial data		
Product Group	20 (Winsta)	
eCl@ss 10.0	27-44-06-92	
eCl@ss 9.0	27-44-06-92	
ETIM 8.0	EC002863	
ETIM 7.0	EC002863	
PU (SPU)	250 pcs	
Packaging type	Box	
Country of origin	CN	
GTIN	4045454636982	
Customs tariff number	39269097900	

Environmental Product Compliance		
RoHS Compliance Status	Compliant,No Exemption
