#### Data Sheet | Item Number: 774-9993/216-202

pre-assembled connecting cable; Eca; Plug/open-ended; 3-pole; Cod. A; H05Z1Z1-

F 3G 1.5 mm<sup>2</sup>; 2 m; 1,50 mm<sup>2</sup>; white https://www.wago.com/774-9993/216-202

Dimensions in mm

Cable assembly WINSTA® RD with protection against mismating

The WINSTA® RD cable assembly rated current 16 A supports rapid, correct installation. The color coding and mechanical coding of the pluggable installation connector ensure error-free installation of the individual components – including protection against mismating. The pluggable installation connector is protected against ingress by solid objects in accordance with protection type IP20 (When mated: IP2xC (These compact connectors are not designed for use in open, easily accessible areas!)). WINSTA® RD: Solutions from this product line are suitable for drill holes and conduits with diameters up to 20 mm. Building safety must be ensured at all times, even after the electrical installation stage. The mandatory safety requirements in connection with EU CPR are met by this product through fire class E. Eliminating halogens as an additive in the production of this cable assembly substantially increases fire safety and reduces environmental pollution.

Fast, secure pluggable connections - cable assemblies from WAGO

The cable assembly is equipped with a plug and a free end. The WINSTA® Pluggable Connection System is ideally tailored to the very strict requirements of building installation. It makes electrical installation pluggable, and consequently faster, more reliable, and error-free. Using this pre-assembled system reduces time spent on assembly and installation errors at the construction site. Choose durability and quality – with protection against mismating from WAGO makes the electrical installation of electrical components visibly easier.

- · pluggable installation connectors with protection against mismating
- saves time, since no wiring is required at the construction site
- with A coding for a large number of applications
- exact dimensions
- · rapid, structured electrical installation
