

Double surface-mounting box for all devices from the Original series, Light grey

102-77500

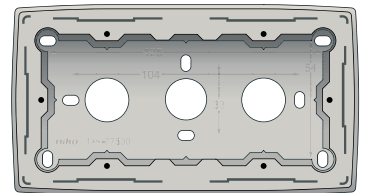

4 year warranty

The double surface-mounting box in Niko Original Light grey is intended to install a flush-mounting function in certain circumstances, for example, when the thickness of the walls is insufficient. Can be used for all functions except the time switch.

Technical data

Double surface-mounting box for all devices from the Original series, Light grey.
Surface-mounting box for 2 devices. The box is mounted directly on the wall. Conduit fittings 5/8" or 3/4" can also be mounted. The devices (switches, push buttons, indicator lamps, no time switches) are screwed to the box. The screws are included. The box is made of dimensionally stable pc+asa. The raw material is coloured in the mass, light grey. Dimensions: 158 x 87 x 37mm. CE marked.

- Protection degree: See protection degree of the mounted function
- Marking: CE
