

Finishing set for a wireless switch or push button with 4 control buttons and LED control, steel grey coated

220-90002

4 year warranty

Finishing set with four control buttons to control a LED controller. Each control button has its own label: switch on/dim up, switch off/dim down, colour loop and favourites. This button, combined with the base for the wireless switch with four control buttons (410-00002), is particularly suitable for the control of the wireless 4-channel constant voltage controller (410-00121).

Technical data

Finishing set for a wireless switch or push button with 4 control buttons and LED control, steel grey coated.
