

Bell wire

Description

This range of cable is suitable for modern day installation

Features

Conductor

- 1 strand of copper clad steel
- 0.5mm Ø nominal

Sheath

- PVC
- Black pit stripe
- 3.2mm Ø nominal

Range

Bell Wire

218/X

Technical Specification

Insulation resistance	>500MΩ/m
Rated temperature	60°C
Rated voltage	300V

Standards

- RoHS
