

Technical Data

Category	Article number	Description
Floor dimmer	63104x	LED floor slide dimmer
	for 1 lamp	dimnable by foot slide

Input/ Output		
Rated voltage		220V - 240V
Rated output power		100W/VA
Rated output power LED		70W
Power factor		0,9 typ
Input frequency		50/60Hz
Input current		Max 0.29A
Output voltage	Tronic dimmer RC	Trailing edge dimming 230V
Output minimal load		1W

Function	
Overload protection	✓
Short-circuit protection	✓
1.0KV surge protection	✓

Shape	
Dimension (mm) L x W x H	115 x 61 x 34 mm
Switch	0-100% foot slide
Color of housing	Black (RAL9005) White (RAL9016)

Safety approval
CE

Remarks
Lamp will be switched off 100% by sliding to minimum Little min set potentiometer to set minimal brightness. Also suitable for dimming of filament led lamps
