### General data

|                     |                |
|---------------------|----------------|
| Product name        | F36W/RED       |
| Technology          | Fluorescent    |
| Lamp shape          | Tubular shape  |
| Cap/Base            | G13            |
| Lamp finish         | Frosted/Coated |
| Fixture rating      | Open           |
| General application | SPG            |
| ETIM Class          | EC000108       |
| E-number SE         | 8356733        |

### Optical data

|                                                    |     |
|----------------------------------------------------|-----|
| Ambient temperature for maximum luminous flux (°C) | 25  |
| Light colour                                       | Red |
| Adjustable chromaticity                            | N   |

## Electrical data

|                                          |                                |
|------------------------------------------|--------------------------------|
| Power consumption (W)                    | 36                             |
| Wattage (W)                              | 36.00                          |
| Current (A)                              | 0.430                          |
| Primary Supply/Product voltage - min (V) | 93                             |
| Primary Supply/Product voltage - max (V) | 113                            |
| Control gear required                    | Yes                            |
| Dimmable                                 | Yes                            |
| Dimming method                           | Mains: leading / trailing edge |
| Drive current (mA)                       | 430                            |

## Lifetime data

|                            |      |
|----------------------------|------|
| Average life (Nominal) (h) | 8000 |
| Average life (Rated) (h)   | 8000 |

## Physical data

|                                     |               |
|-------------------------------------|---------------|
