

Technical Data

BG Nexus Storm 13A Double Switched Socket with Latching Type A RCD, IP66

Brief Product Description

This IP66 13A Type A RCD double socket from British General is supplied in a weatherproof mounting box and ideal for outdoor use. This unit will continuously monitor the supply to any electrical appliance plugged in to it and cuts the power if an earth current fault is detected, protecting against the risk of a fatal electric shock.

Features

- Weather and dust protection - IP66 (with cover closed)
- Fast fix - no separate screws, no screw covers, 150° rotation
- Robust construction - high impact polycarbonate housing
- Multiple knockouts for versatility when installing - 8 x 20mm
- Type A RCD mechanism - latching (passive) - socket returns to original state when power is resumed
- Trip current - 30mA trip current 40mS trip speed
- Angled in-line colour coded terminals with captive screws provide easy access for quick installation
- Large open/closer paddles for easier operation
- Captive screws prevent screw loss
- Twin earth fitted as standard for high integrity circuits

Technical Data

BG Nexus Storm 13A Double Switched Socket with Latching Type A RCD, IP66

Technical Specifications

IP Rating	IP66
Rated Sensitivity (mA)	30
RCD Mechanism Type	LTCH
Trip Speed (mS)	004S
Operating Characteristic	A
Minimum Box Depth (mm)	NA
RCD Type	A
Lifetime (h)	
Operating Voltage (V)	["240"]
Current Rating (A)	13
Inductive Rating (AX)	
Operating Temperature (C)
