When a green lamp code is shown next to an item (e.g. BUL-E27-LED-16) this indicates low energy compatibility and the relevant LED lamp code.

CONTENTS

RANGES & LOW CEILING 2–16
product families and low profile fittings

PENDANTS 17–28
suspended ceiling lights, some with matching items

FLUSHES 29–48
shallow profile fittings, ideal for low ceilings and walkways

EASY FIT PENDANTS 49–58
for existing ceiling lamp suspensions - mix & match to create unique combinations

SPOTLIGHTS 59–64
adjustable spotlights which can be wall or ceiling mounted

WALL LIGHTS 65–68
stylish and versatile wall lights, suitable for numerous locations

TABLE & FLOOR LIGHTS 69–108
lamps for all rooms including task and decorative, some with matching items

FURNITURE & MIRRORS 109–138
coffee, console, side and nested tables, as well as our full range of stunning mirrors

LAMPS (LIGHT BULBS) 139–148
our own collection of high quality LED and halogen lamps

INDEX 149–152
a visual technical index followed by a complete alphabetical index

LAMPS

Revised Energy Rating - the same performance, a different grading scale

For clearer understanding of relative energy performance and to encourage increased performance and efficiency, a new scale has been introduced by the UK government. The existing ERP energy rating for lamps (light bulbs) is graded from the most energy efficient (A++) down to least (E). The new scale is graded from A down to G. Old A+ products now equate to the lowest G band, and the previous top grade A++ now equate to anything from D through to F.

Despite the apparent lower rating for our current lamps, their performance and efficiency is unchanged. Meanwhile, we are rising to the challenge of developing even more efficient lamps that will achieve the highest grades on the new, more demanding scale.

Please note that existing stock with the older label can be sold until **April 2023**. This means that both styles of label will be in the market until then.

old style **new style**

Selected halogen lamps (bulbs) are still available until 1st September 2023

The following halogen lamps can be placed on the market until **1st September 2023** and can be legally sold after that date until stocks are exhausted:

- **12v halogen G4 lamps**
- This includes our **BULG410**

- **240v halogen G9 lamps**
- This includes our **BULG920** and **BULG933**

- **R7S linear halogen below 2700lm** (approximately 140w equivalent)
- This includes our **BULR7S80** and **BULR7S120**

Understanding Lamp Specifications

Lumens & Equivalent Wattage

The higher the lumens, the brighter the lamp. The equivalent wattage is a comparison, for reference only, to a traditional incandescent lamp.

Energy Rating

old style new style

A grading of how efficient the lamp is at converting energy. The Revised Energy Rating scale is explained above.

Colour Temperature

Ranging from 2200k (kelvin) to 5000k, the colour temperature shows how cool (blue) or warm (red/orange) the light from a lamp is. Cooler colours are crisper; warmer colours are more relaxing. 2700k is most similar in colour tone to the traditional incandescent lamp.

Dimmable

Lamps with this symbol are dimmable; for wall and ceiling lights you must use an LED-compatible dimmer, such as a Varilight V-Pro.

Introducing our new energy efficient **TOUCH LED** lamps.

A range of energy efficient LED lamps developed to work with our 3-stage and on-off touch lamps.

Each lamp has undergone testing with our range of touch lamps to ensure compatibility. The technology is specific to touch switches and as such these touch LED lamps cannot be used with standard dimmers.

E27 MICRO FILAMENT LED

Our premium micro filament LED lamps feature a clear light guide column with a laser-etched graphic filament. When lit, the appearance is similar to original fine filament vintage lamps, giving a very warm decorative glow. The outer glass envelope of clear borosilicate glass has a highly reflective coating that repels dust. Our micro filament range is available in medium and large globes, as well as the classic Edison shape. (see across)
