

DESCRIPTION

The Easi-Lam cable markers can be used in conjunction with the Easi-Lam Dymo LabelManager 260P printer. This highly versatile system is for creating professional, outdoor grade labels for cables, wire, panels, etc, ideal for contractors and panel builders. Made from halogen-free material, these markers have a clear laminate covering to protect them from UV light, dirt, rain and other harsh conditions. Available in a range of sizes.

APPLICATIONS:

Ideal for working in a wide variety of environments including transport, infrastructure, IT, electrical contractors and panel builders.

SPECIFICATION:

MATERIAL: Outdoor grade, Halogen-Free

CHEMICAL RESISTANCE: UV Light, Dirt, Rain and other harsh conditions.

PART NUMBERS:

PART NO.	PRINTABLE AREA W x H (mm)	PACK QTY
TIE-ON CABLE MARKERS		
350025	45 x 9	100
350186	55 x 15	100
350216	80 x 15	100
350278	130 x 15	50
PANEL & EQUIPMENT MARKERS		
322879	60 x 15	80
322886	66 x 40	40
322848	100 x 66	50
VALVE TAGS		
350414	43 x 25	50
350407	With Steel Ring 43 x 25	50
350452	135 x 25	50
350445	With Steel Ring 135 x 25	50

STEP 1

Print your required Dymo labels.

You can alternatively hand-write your labels.

STEP 2

Insert the printed label onto the cable marker. Peel back the laminate and place over label.

Cover with clear laminate seal.

STEP 3

The marker is then ready for use.

The marker is then ready for use.
