

## ABB Adaptaflex S Galvanised Steel Flexible Conduit 25mm 50m

Brand: Adaptaflex

Product type: Metallic Conduit

Mfr number: 7TCA296010R0094

Part number: 2500597636

### Product description

S25/50M is a Flexible Conduit made of steel with galvanised finish. This is a helically wound flexible conduit which is used where high mechanical strength or high flexibility are required or where high temperatures are experienced, in addition being inherently a low fire hazard product (LFH). It is suitable for use under floor wiring applications that is computer/floor boxes and Halogen free areas, airports, hospitals and public buildings.

### Features and benefits

- -50°C; -45°C Minimum operating temperature
- 250°C; 300°C Maximum operating temperature
- IP40 Protection rating

### Technical details

Material	Steel	Surface protection	Other
Model	Rigid threaded	Inner diameter	21.4 mm
Outer diameter	25 mm
