

Crimping Tools NLCT1

Order code: 1000008435

Description

Ratchet control crimping tool for pre-insulated terminals and connectors 0.25 – 6mm²

Key features

- Designed for use with Newlec pre-insulated terminals and connectors to ensure a good quality crimped joint
- Heat treated steel crimp jaws with high mechanical properties
- Factory set ratchet for precise and consistent crimping
- Emergency release lever for jaw opening before crimp completion
- Toggle action leverage to reduce operator effort
- Automatic handle opening upon completion of crimp
- Ergonomic moulded handle design
- Compact, lightweight and easy to use
- Good crimping practice is essential, in accordance with the requirements of BS7727. The use of a matched system of crimping tools and connectors is recommended
