

GARDEN LAKE® WATER BUTT

Attractive wood grain effect tapered shaped water butt available in two sizes; the compact 95 and standard 200 litre capacity. Manufactured from at least 75% recycled content with a 5 year guarantee as standard.

Both Garden Lake® Water Butts are supplied with a hose-connector tap, with a pre-drilled fitting and a child-safe locking lid.

Manufactured using a premium blow-moulded process, these water butts are both tough and durable.

The 200 litre Garden Lake® Water Butt has all the features to meet the water category WAT2, Code for Sustainable Homes (Issue ID WAT2, 1 point awarded).

The Garden Lake® Water Butts are also available as kits complete with Water Butt, Stand and Rain Diverter.

A range of accessories is also available including stands, rain diverter kits and linking kits.

Product	Capacity (litres)	Dia. x H x H with stand (mm)
Garden Lake®	95	520 x 730 x 1020
Garden Lake®	200	680 x 900 x 1230
