

Newlec B Chisel 56mm comes with Hand Shield

Product Code: NL56CH

2 1/4" chisel with guard.

Features & Benefits:

- Used by carpenters, electricians and plumbers for lifting floorboards or channeling recesses in solid floors.
- Forged from chrome vanadium steel for increased strength and durability.
- Blade holds its edge longer and therefore needs less sharpening.
- Hardened, quenched and tempered to precise specifications for added safety.
- Modified parabolic striking end for greater resistance to mushrooming and chipping.
- BI-Material hand-guards for increased comfort and protection from overstrike.
