

Matrix PU General Work Glove Size 9 Red

Brand: Polyco

Product type: General Handling

Mfr number: NRP/09

Part number: 2500852420

Product description

Polyco Matrix General Work glove featuring seamless knitted liner with a polyurethane palm coating, offering dexterity, good abrasion and tear resistance. Designed to be close fitting, the seamless knitted liner allows for maximum dexterity, making it the perfect solution for the most tactile of applications. The glove is further enhanced by the flexible polyurethane palm coating, providing grip, protection and durability. The elasticated knit wrist provides a secure fit and keeps the hands free from dust and debris. These properties make Polyco Matrix® the ideal choice for tasks like component handling, electronics and light engineering work, delivering good performance, reliability and value for money. Typically used for component handling, general assembly, electronics, light engineering work, joinery, plumbing, mechanical work and inspection.
