

5W LED Security Bulkhead with PIR Sensor IP65 4000K Black

Brand: LED Solutions

Product type: Lanterns & Security Lights

Mfr number: NLLRB3PIR

Part number: 2501009933

Product description

Decorative LED security bulkhead is a robust and aesthetically appealing bulkhead ideal for use in residential areas. It offers all the features and benefits of the traditional standard rectangular bulkhead with the added benefit of LED technology for increased energy saving.

Features and benefits

- Up to 30,000 hours of life for long term operation
- Colour Rendering Index (CRI): 80+
- Efficacy: 81lm/W
- IP65 Degree of protection
- Passive infrared sensor (PIR) included

Technical details

Colour temperature	4000 K	Degree of protection (IP)	IP55
Degree of protection (IP)		Max. system power	5 W
Average nominal lifespan	30000 h	Luminous flux	310 lm
