

19W LED Commercial Indoor Bulkhead 4000K 325mm Opal/White

Brand: LED Solutions

Product type: Indoor Bulkheads & Utility Lights

Mfr number: RXL-FHBL20-190-W-OP

Part number: 2501182900

Product description

A indoor bulkhead made up of a white polycarbonate body with an opal diffuser provides an LED equivalent for 16W & 28W 2D bulkhead luminaires. Can be used with or without a white trim ring. Use of a trim creates an appealing halo of light on the mounting surface, to allow for more decorative applications.

Features and benefits

- Screwless access with clip in diffuser and gear tray
- Quick installation with push fit connectors and BESA box fixing points
- Nominal voltage: 220-240V
- LED nominal constant current: 50-60Hz
- Energy efficiency class: A++
- 30,000 Life hours
- Colour Rendering Index (CRI): 80+
- IP44/IK10 Degree of protection

Technical details

Colour temperature	4000 K	Degree of protection (IP)	IP44
Degree of protection (IP)		Max. system power	19 W
Average nominal lifespan	30000 h	Shape	Circular
Shape		Luminous flux	1850 lm
