

41W LED Emergency Surface Linear 4000K 5ft White

Brand: LED Solutions

Product type: Indoor Surface & Suspended Lights

Mfr number: RXL-COM015-EM

Part number: 2501182990

Product description

LED equivalents to linear florescent fittings which is perfect for any education or commercial environment as it delivers low energy LED technology without compromising on quality.

Features and benefits

- White steel body (RAL 9003)
- Polycarbonate diffuser
- UGR19 rated
- Anti-tamper end caps
- 4,700 Lumens (lm)
- Efficacy: 115lm/W
- Electrical Class 1
- IK03 rated
- IP40 rated
- 30,000 life hours

Technical details

Degree of protection (IP)	IP40	Degree of protection (IP)	
Colour temperature	4000 K	Max. system power	41 W
Average nominal lifespan	30000 h	Luminous flux	4700 lm
