

# Product datasheet

Specifications

external neutral current transformer,  
Compact NSX160/250, 150 A to  
250 A, 3 poles circuit breakers with  
Micrologic 5/6 trip unit

LV430563

## Main

|                           |                                  |
|---------------------------|----------------------------------|
| Product or component type | Neutral sensor                   |
| Device application        | Power supply                     |
| Range compatibility       | ComPact NSX160<br>ComPact NSX250 |

## Complementary

|                    |             |
|--------------------|-------------|
| [In] rated current | 150...250 A |
|--------------------|-------------|

## Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Weight             | 514.0 g   |
| Package 1 Height             | 10.5 cm   |
| Package 1 width              | 10.5 cm   |
| Package 1 Length             | 24 cm     |
| Unit Type of Package 2       | PAL       |
| Number of Units in Package 2 | 144       |
| Package 2 Weight             | 85.457 kg |
| Package 2 Height             | 101.6 cm  |
| Package 2 width              | 91.44 cm  |
| Package 2 Length             | 121.92 cm |
| Unit Type of Package 3       | S03       |
| Number of Units in Package 3 | 6         |
| Package 3 Weight             | 3.589 kg  |
| Package 3 Height             | 30 cm     |
| Package 3 width              | 30 cm     |
| Package 3 Length             | 40 cm     |

## Offer Sustainability

|                   |                                                  |
|-------------------|--------------------------------------------------|
| EU RoHS Directive | Compliant<br><a href="#">EU RoHS Declaration</a> |
|-------------------|--------------------------------------------------|

|                            |                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Mercury free               | Yes                                                                                                                   |
| RoHS exemption information | <a href="#">Yes</a>                                                                                                   |
