ATTACHMENTS

LEGENDS Alternative legends available as listed

PRO FEATURES

• Lithium batteries supplied as standard

- **Long lasting.** Our lithium batteries are warranted for 7 years from the date of installation.
- **Safer.** Lithium batteries last longer than NiCd so they are the safest solution.
- **More efficient.** Lithium batteries lose only 3-5% of their charge per month.
- **Greener.** Less toxic than cadmium and fully recyclable.
- **Less waste.** Because lithium batteries last at least twice as long as NiCd there is 50% less waste.

• Self-test is an option

- Automatically performs the tests required by BS5266, monthly and annually
- Reports its test status with multi-colour indicator LEDs and audible buzzer
