

Description: Standard mounting plate. Fixing bracket kit MPA 06 to be ordered separately. Can also be mounted in the side of an enclosure by using bracket kit MPS or slid in from the side by using the sliding profile MTS. For heavy loads in vibrating environments use mounting plate reinforcement profile MPR and MPE or MPEF brackets.

Maximum load: 6000N.

Material: 3 mm galvanized steel.

Note: 500mm deep mounting plates for side mounting available on request.

Pack quantity: 1 piece.
