

## Newlec Cable Tray Light Duty 50mm

**Newlec®**

Brand: Newlec

Product type: Cable Tray & Accessories

Mfr number: NLL050PG

Part number: 1051115876

### Product description

Newlec cable trays are designed as a complete system with simple accessories

### Features and benefits

- Integral connectors are included for bends, tees etc. for all cable tray ranges
- Perforation pattern in the base of the tray allows ease of attachment for cables
- The same footprint that facilitates the set out of cable runs prior to finalisation of design
- One end swaged for easy connection to the next tray
- When cut to smaller lengths on site, connection to the next tray requires a fish plate
- Adequate ventilation
