| Minimum Back Box Depth (mm)            | 47                                                                                                                                        |                                                                                                                        |
| Ingress Protection                     | IP20                                                                                                                                      |                                                                                                                        |
| Operational Temperature (°C)           | -5 to +40                                                                                                                                 |                                                                                                                        |
| Warranty (Years)                       | 10                                                                                                                                        |                                                                                                                        |

**Standards** BS 4177

**Additional Information** For cleaning / polishing of products, use only a soft, dry, clean cloth.  
Ensure that the mains supply is isolated before commencing installation and refer to the circuit diagram with the relevant product.  
Bare earth cables must always be covered with appropriate sleeving and wired to the earth terminal.

**Product Code:** SCP205\*\*

**Description:** 6 Gang GridPro® Frontplate

## General Information

|                           |                                                                                                                                            |
