

# Technical Specification

**Product Code:** SIN412PWSS

**Description:** 10AX Ingot 2 Gang 2 Way Plate Switch Insert

## General Information

|                                        |                                                                                                                                      |                                                                                                                          |
|----------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Insert Dimensions (mm)                 | 82.5 (W) x 82.5 (H) x 2.5 (D)                                                                                                        |                                                                                                                          |
| Plate Fixing Centres - Horizontal (mm) | 60.3                                                                                                                                 |                                                                                                                          |
| MiniGrid Plate (Gang)                  | 1                                                                                                                                    |                                                                                                                          |
| MiniGrid Single Width Module Quantity  | 2                                                                                                                                    |                                                                                                                          |
| MiniGrid Double Width Module Quantity  | 1                                                                                                                                    |                                                                                                                          |
| Style                                  | Screwless Insert                                                                                                                     |                                                                                                                          |
| Finish                                 | Stainless Steel                                                                                                                      |                                                                                                                          |

| 2 Way Switch                           | Yes                                                                                                                                  |                                                                                                                          |
| Minimum Back Box Depth (mm)            | 25                                                                                                                                   |                                                                                                                          |
| Ingress Protection                     | IP20                                                                                                                                 |                                                                                                                          |
| Operational Temperature (°C)           | -5 to +40                                                                                                                            |                                                                                                                          |
| Warranty (Years)                       | 10                                                                                                                                   |                                                                                                                          |

**Standards** BS EN 60669-1

## Additional Information

For cleaning / polishing of products, use only a soft, dry, clean cloth.  
Ensure that the mains supply is isolated before commencing installation and refer to the circuit diagram with the relevant product.  
Bare earth cables must always be covered with appropriate sleeving and wired to the earth terminal.  
Interchangeable with modules in the MiniGrid Range.

**Product Code:** SCP402\*\*

**Description:** 1 Gang MiniGrid® 2 Apertures Cover Plate

## General Information
