

Einhell (EINTEAG11560)

TE-AG 115/600 Angle Grinder 115mm 600W 240V

The Einhell TE-AG 115/600 115mm Angle Grinder is ideal for a wide range of cutting, grinding and roughing jobs everywhere in the home, workshop and garage. Fitted with a no-tool wheel guard with quick-adjust facility, can be adapted with just a twist of the hand to any task and a spindle stop for easy tool change. The sturdy flat metal gear head provides excellent power transfer and low vibration operation, both of which help working in areas with difficult access. Slim housing with soft grip on both the main handle and additional handle, can be secured in three different positions for optimum adaptation to the particular work piece, ensuring a reliable hold for comfortable and safe operation. The face spanner is stored in the additional handle so that it is always within reach and there is a cable clip for securing the wound-up cable. The machine is supplied WITHOUT a cutting wheel. Specification Input Power: 600W No Load Speed: 12,000/min. Disc Diameter: 115mm Length: 325mm Weight: 1.88kg

Voltage	Input Power	No Load Speed RPM	Spindle Thread
