

First Aid For Eyes Poster

- Fully coloured illustrations and clear, easy to follow text
- Clear step by step instructions
- Compiled by qualified health and safety practitioners
- Encapsulated finish for superior durability
- Fully updated with the latest guidance

The safety first aid guidance posters can help to raise safety awareness throughout your organisation. The First Aid for Eyes Guide has clear step by step instructions on how to provide treatment to someone that has suffered an eye injury. The poster is designed both first aiders and non-first aiders with the essential first aid and safety information.
