

Product Specifications

HypaPlast Pink Washproof Plasters, Assorted (Pack of 100)

- Pack of 100 assorted wash proof plasters
- 5 different sizes: 25x72mm, 38x38mm, 50x72mm, 19x63mm, 19x38mm
- Hypoallergenic, skin friendly adhesive
- Individually wrapped and sterile

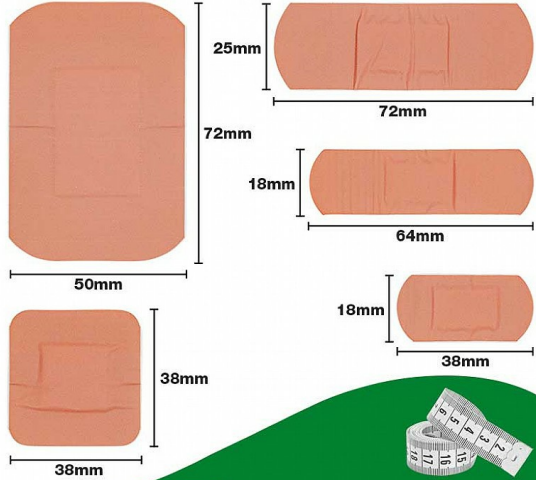

HypaPlast Pink Washproof Plasters, Assorted include five different plaster sizes to provide dressings for a wide range of possible injuries. They are the cost effective option but do not compromise on quality as a result. With good adhesion to skin, as well as being washproof, individually wrapped and sterile, HypaPlast Washproof Plasters are an essential item for first aid kit. They are vital for the treatment of wounds, cuts and other minor injuries that do not require a full dressing. HypaPlast Washproof Plasters are available in assorted packs as well as packs of specific shapes or sizes.
