

MEGAMAN® RENZO consists of 3 unique MEGAMAN® luminaire design elements, Modular System, Switching CCT and Selectable lumen output; together with 3 different sizes, enables to provide an ideal solution for different environment and functions.

## RENZO Integrated Modular LED Bulkhead 11W DUAL CCT

|                                   |                                                    |
|-----------------------------------|----------------------------------------------------|
| <b>Product Code</b>               | 710264                                             |
| <b>International Model Number</b> | L71600V0-sc                                        |
| <b>Description</b>                | RENZO Integrated Modular LED Bulkhead 11W DUAL CCT |
| <b>Watts</b>                      | 11W                                                |
| <b>Colour temperature / CRI</b>   | 3000K/4000K 80                                     |
| <b>Lumens</b>                     | 930lm / 1000lm                                     |
| <b>Dimmable</b>                   | N                                                  |
| <b>Lamp life (max)</b>            | 50,000hrs                                          |
| <b>Beam angle</b>                 | 110°                                               |
| <b>Weight</b>                     | 420g                                               |
| <b>Dimensions</b>                 | 280mm x 100mm                                      |
| <b>IP rating</b>                  | IP44                                               |
| <b>Shape</b>                      | Round                                              |
| <b>Operating Temperature</b>      | -30° to +40°                                       |
