** Functional modules are supplied with a protective clear cover plate.

FLEXIBLE ORDERING OPTIONS STARTS HERE

TWO-PIECE PRODUCT SOLUTION

We’ve made ordering just as easy as installation, thanks to our simple step-by-step product selection guide and flexible, modular two-piece product solution.

The functional module and clip on frontplate are individual components - select both to achieve your complete MK Dimensions screwless wiring device.

STEP 1: CHOOSE A FUNCTIONAL MODULE IN WHITE OR BLACK

All functional modules are supplied with a protective clear cover plate, perfect for achieving a flawless finish after interior decoration and eliminating damage during the fit out process. See our Product Selector on the following pages for part number details.

STEP 2: CHOOSE A CLIP ON FRONTPLATE FROM THE CHOICE OF NINE HIGH QUALITY FINISHES

Select the corresponding frontplate to accompany your functional module. See our Product Selector on the following pages for part number details.

Note: Metal finishes are supplied with a black or white trim to match module.
