

Sockets Metal Range IP66

- Designed and manufactured to withstand the most arduous of conditions and operational life.
- Constructed in zinc die-cast material
- IP66 Ingress Protection Rating

PD160/4BSAM

TECHNICAL DATA		REGISTRY	
Rated current	15A	Net weight	0.69KG
Frequency	50/60Hz	Gross Weight	0.74KG
Poles	3P+ $\frac{1}{2}$	EAN Code	5026992038574
Clock Position	N/A	Min order quantity	1
Protection degree	IP66	REFERENCE STANDARDS	STANDARDS
Rated operating voltage	400V		
Manufacturing material	Zinc alloy
