Overview

Weights & Dimensions

Large 450kg Grit Salt Bin

A 450kg capacity Grit Bin made from UV stabilised HDPE of which yellow being virgin.

They are available in various colour combinations which, together with the large branding area on the front section, gives you various ways of branding and personalising the bin.

Moulded finger grips make the lid easy to lift whilst access points on the base make the bin convenient for lifting with a fork lift.

The bins fit inside each other for easy stacking and fit 7 to a pallet.

The Grit Bin can also be used as a storage container.
